

Steel Erection Bid Wizard Has Been Updated

STEEL ESTIMATING SOLUTIONS

On the market since January, 2013 Steel Erection Bid Wizard now has a demo version available. Vince Hughes explains, "If you have been curious how the Steel Erection Bid Wizard works, you can now try it in REAL TIME." A recently released video shows how the Steel Erection Bid Wizard integrates with On Screen Take Off. With these two programs tied together offers a double benefit for steel erectors.
