

Join Us for Some Golf and an OSHA Roundtable

Join other SEAA members and supporters for a face-to-face meeting with OSHA representatives at our SEAA Road Show followed by the 2nd Annual George R. Pocock Memorial Golf Tournament. George Pocock, who passed away in 2011, was a board member and a long-time organizer of SEAA golf events and a great friend to SEAA for over 15 years. SEAA-MAC is the sponsoring organization.

Both events take place Monday, September 9, 2013 at the Heritage Hunt Golf & Country Club, Gainesville, VA. The OSHA Road Show begins at 9:30 AM followed by lunch and the Shot Gun Start at 12:30 PM.

Go to www.seaa.net for registration forms and information.

Who is SEAA-MAC?

The SEAA-MAC is professional association of contractors committed to enhancing the performance of our members, representing their interests, and building a better climate for construction. As much fun as business, it's a chance to let go a little and do something for our industry, making it is a great opportunity for construction firms in the Mid-Atlantic and surroundings areas to make connections and support a good cause.
